THE FLAGSHIP-BLOCKCHAIN- CONFERENCE IN LIECHTENSTEIN

CCA TOKEN SUMMIT 2023

October 12th & 13th 2023

Vaduzer Saal in Liechtenstein, Vaduz

The **TOKEN SUMMIT** not only aims at discussing the legal fundamentals at home and abroad, but also seeks to make the underlying technology "comprehensible".

What is already possible today and, above all, what makes sense? Where is the journey going, and where will the financial centers of the future be fully digitalized without financial intermediaries? Which metaverse will prevail, and how far has the technology already come? Is it all just a gimmick? Learn more from experts with many years of experience in these areas.

In 2022 we had **50+ speakers** from **10+ countries**, you can **explore** our **Metaverse-Experience** and our **NFT-Garden** and welcomed more than **500 participants** from various sectors.

The **TOKEN SUMMIT** creates a unique **NETWORKING-OPPORTUNITY**, allowing you to get in touch with the Liechtenstein Blockchain-Ecosystem made up of Exchanges, Banks, Layer-1s, DAPP-Developers, Enthusiasts, Advisors, Regulators and Government officials, as well as the announced global list of speakers.
